SUPPLEMENT TO
REPORT NO.

Industria Optica Romana is located at Bulevardul Muncii No. 94, Bucharest. It employs 1,500 workers in the manufacture of the following optical articles:

- a. Eyeglass lenses.
- b. Binoculars.
- c. Telescopes.
- d. Periscopes.
- e. Microscopes.
- f. Camera lenses.

According to informant who worked on eyeglass lenses, Industria Optica Romana manufactures approximately 4,000 pairs of eyeglasses a week. These are shipped to hospitals and Army centers.

Two unidentified German engineers are employed at the factory.

The factory guard is composed of 20 militia members. Special security precautions are observed in the mechanical section of the IOR.

An employee of one section is not permitted to enter the other sections of the factory unless special permission is obtained.
